

Mahin Naaz

Software Developer | BCA Graduate

Bangalore, Karnataka, India | +91 98808 82848 | mahinaaz124@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

SUMMARY

BCA graduate with a CGPA of 8.66/10 and hands-on experience in full-stack development using React.js, Node.js, Express.js, MongoDB, JavaScript, and REST APIs. Experienced in building web applications, backend systems, and database-driven solutions through academic projects and internship experience. Strong foundation in data structures, object-oriented programming, DBMS, software engineering, and problem-solving. Passionate about developing scalable software solutions and continuously learning modern technologies.

TECHNICAL SKILLS

Programming Languages: Python, Java, C, C++, JavaScript

Frontend: HTML5, CSS3, JavaScript, React.js

Backend: Node.js, Express.js, REST APIs

Databases: MySQL, MongoDB, SQL

Tools & Platforms: Git, GitHub, VS Code, Postman

Core Computer Science: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks, Software Engineering

Analytics & Visualization: Power BI, Microsoft Excel, Data Analytics

PROFESSIONAL EXPERIENCE

Full Stack Developer Intern (Remote)

February 2026 – May 2026

- Developed frontend applications using React.js and integrated backend services through REST APIs.
- Worked with Node.js, Express.js, and MongoDB-based applications during internship assignments.
- Integrated frontend components with backend APIs for real-time data operations.
- Participated in developing and testing web applications following industry development practices.
- Performed API testing and validation using Postman.
- Utilized Git and GitHub for version control and project management.

PROJECTS

Student Management System (Academic Project)

Technologies: React.js, Node.js, Express.js, MongoDB

[GitHub](#) | [Live Demo](#)

- Independently designed and developed a full-stack Student Management System for managing student records and academic information.
- Implemented complete CRUD functionality for student data management.
- Developed responsive user interfaces using React.js and connected them with backend APIs.
- Integrated MongoDB for secure and efficient data storage.
- Managed end-to-end development, including database design, backend development, frontend implementation, and testing.

Device Management API (Internship Project)

Technologies: Node.js, Express.js, MongoDB, REST APIs, Postman

[GitHub](#)

- Developed backend REST APIs for device management operations as part of internship assignments.
- Implemented CRUD functionality following REST architecture principles.
- Integrated MongoDB for data persistence and management.

- Conducted API testing and debugging using Postman.

Mobile Management System (Internship Project)

Technologies: React.js, REST APIs, JavaScript

[GitHub](#)

- Developed frontend modules for a Mobile Management System using React.js.
- Integrated pre-developed backend APIs provided by the internship mentor.
- Implemented user interface components and connected them with API endpoints.
- Ensured smooth data flow between frontend and backend systems through API integration.

Todo Web Application (Internship Project)

Technologies: React.js, Node.js, REST APIs

[GitHub](#) | [Live Demo](#)

- Developed a task management web application for creating, updating, and deleting tasks.
- Implemented dynamic user interface updates and state management.
- Integrated frontend and backend components through REST APIs.
- Enhanced usability through responsive design and efficient task handling.

EDUCATION

Falcon Degree College

Bachelor of Computer Applications (BCA), CGPA: 8.66/10, Final Semester SGPA: 8.74/10

Bangalore

2023 – 2026

Falcon PU College

Pre-University Course (CEBA), Percentage: 83%

2021 – 2023

Ammar High School

SSLC, Percentage: 81%

2020 – 2021

CERTIFICATIONS

Data Science Certification

CSS, JavaScript & PHP Certification

Salesforce Great India Growth Summit Volunteer Certification (2024, 2025)

Association of Muslim Professionals (AMP) Volunteer Certification (2023)

LEADERSHIP EXPERIENCE

Treasurer | Falcon Degree College | 2023 – 2025 - Managed student funds and maintained financial records for college activities. - Coordinated budgeting and financial planning for student events. - Worked closely with faculty members and student committees. - Demonstrated leadership, accountability, communication, and organizational skills.

ACHIEVEMENTS

- Recipient of the Intuit Rise Girl Child Education Scholarship (2023, 2024, 2025) - Recipient of the Manal Foundation Scholarship (2024, 2025) - Winner – IT Treasure Hunt Competition, Inter-College Fest (2024–2025) - Runner-Up – Coding Competition, Inter-College Fest (2024–2025) - Volunteered at Salesforce Great India Growth Summit (2024, 2025) - Volunteered at AMP Mega Job Fair (2023)

LANGUAGES

- English – Professional Proficiency - Hindi – Professional Proficiency - Urdu – Professional Proficiency - Kannada – Basic speaking proficiency, good reading and writing skills
